### Inside Sales

I have been with Biewer Lumber since August, 2015. Graduating from the University of Miami, with a degree in Sport Administration and a minor in Business Law, I have spent time working in football, primarily with college athletes making the transition to the NFL. During this time, I realized I loved watching the sport and playing it more than I loved working in the industry. After seeing the dynamic and energetic sawmill sales team here at Biewer Lumber, I knew this was where I wanted to be. When I am not selling lumber, you can find me playing sports, at the gym, or on the beautiful waters of Lake Huron. If you want to talk sports, you may never get me off the phone!
