WHY IS SELECT CUT® THE CHOICE OF PROS?

A CUT ABOVE THE REST.

Select Cut® - Biewer's signature product line, defines the standard by which all other lumber is measured. Each board is selected and graded for quality and appearance, to ensure you have the best material for all your building projects.

We *SELECT* each board with care.

When only the best will do, we offer Select Cut, our high-quality line of appearance-grade lumber. Our selection process begins in the woods, ensuring that from "Forest to Framework™" we bring you the ultimate lumber for lasting beauty and performance.
