## BIEWER LUMBER, LLC – SAWMILL SALES DEPARTMENT REORGANIZATION

**June 9, 2022** - Biewer Lumber LLC, headquartered in St. Clair, MI, is pleased to announce recent changes to the Sawmill Sales Department. These changes will better support the company's growing sawmill business.

Mike Burley, newly promoted to the position of Sawmill Sales Manager, will take the lead in managing the sales team and day-to-day operations. Burley will report to Bill Schlottman, Director of Sawmill Sales.

With over 8 years with Biewer, Mike brings his expertise in supporting the needs of customers to his new role. Bill Schlottman, a 20-year industry veteran, will now focus on production and maximizing the efficiencies of Biewer's 7 sawmills. These facilities are located in MI, WI, and MS.

"As Biewer's overall production nears 1 billion BF in annual production, this new structure will better position Biewer for continued growth while providing the same excellent customer service our customers have come to expect," stated Tim Biewer, Owner and President of Biewer Lumber.
