

Forestry Intern (Part-Time)

If you enjoy working outdoors and want to start a career in forestry and wood procurement, consider starting an internship with Biewer Wisconsin Sawmill. A Forestry Intern will assist the procurement staff in timber sales and monitor active logging jobs for quality concerns.

Accountabilities

Primary responsibilities will include:

- ▶ Collaborate and learn alongside the procurement staff in all aspects of sale setup, road layout, timber marking, and sale administration.
- ▶ Cruise state and federal bid sales to evaluate and document volume and quality of timber for input into written bid.
- ▶ Create competitive written bids by calculating the value of the timber as well as the necessary trucking and production costs and submit bids for review and approval by the Procurement Manager.
- ▶ Perform and document weekly log yard inventory and plan for weekly wood flow into the mill.
- ▶ File documents in the Administrative Office.

Qualifications

- ▶ Pursuing or completed a Bachelor of Science degree in Forestry.
- ▶ Willingness to learn and adapt.
- ▶ Accurately read maps and use GPS technology.
- ▶ Good computer skills including experience with navigating systems and spreadsheets.
- ▶ Interest in working outdoors in all weather conditions.

ABOUT BIEWER

Biewer Lumber provides its customers with the highest-quality lumber, superior service, and exceptional reliability. Our five fully-automated sawmills, producing both SPF & SYP, are equipped with state-of-the-art technology. The Biewer family of companies also includes three treating and distribution facilities, two manufacturing plants, and a full-service logistics company. As a fourth-generation family-owned company, Biewer holds the highest standards for its products, processes, and people.
