

## Procurement Forester

We are looking to add a Procurement Forester to our team, based in Prentice, WI, and covering the northwest territory. This role will procure standing timber from private, state, and federal ownership to ensure an adequate fiber supply to the mill while balancing costs to total volume purchase goals and maintaining positive margins.

### Accountabilities

- Scout and arrange for the offer, purchase, and harvest of private landowners' timber. Perform and document weekly log yard inventory and plan ahead for weekly wood flow into the mill.
- Assist private landowners in all aspects of sale setup, road layout, timber marking, and sale administration. Works closely with the Forestry Secretary to ensure proper sale administration and set-up. (Pricing, Contracts, Insurance Requirements, Payment methods and deadlines, etc.)
- Cruise state and federal bid sales to evaluate and document volume and quality of timber for input into written bids. Assist in the production of monthly financial bid reports.
- Communicate regularly with logging crews on our sales to properly manage harvest sites given weather conditions.
- Produce individual monthly reports of timber sale purchases and contacts for that month. Assist Procurement Manager with marketing activity for off-species products on related timber sales.
- Manage supplier base individual territory to provide for open market deliveries, stumpage, and log costs.

### Qualifications

- Possess a Bachelor of Science degree in Forestry, or have equivalent progressive experience in a similar field of work.
- Must have a valid driver's license free of any infractions related to alcohol abuse.
- Must be mathematically inclined.
- Must be able to work well with others such as other staff, management, private landowners, representatives of state and governmental agencies, etc.
- Must be able to accurately read maps and use GPS technology.
