

## Industrial Maintenance Technician

John A Biewer Co. of IL. is looking to add a Full Time, Industrial Maintenance Technician to our team in Seneca, IL. This position will maintain all equipment in a manner that allows for safe operation, maintain equipment that prevents any downtime from occurring from mechanical failure, and maintain the inside and outside of all buildings.

**2nd Shift: Monday - Friday, 3:30pm - 12:00am**

### Accountabilities

- Keep equipment operational and performs preventative and regular maintenance on equipment, buildings, forklifts, tools, and any/all machinery.
- Set mechanical adjustments where needed to meet product demands.
- Follow safe practices for handling hazardous waste and material.
- Maintain accurate records of all maintenance problems and/or repairs.
- Utilize PM system (Kinetic) as required for preventative maintenance and parts tracking.
- Complete preventative maintenance per the manufacturer's recommendations.

### Qualifications

- At least 3 years of industrial maintenance experience is required.
- High school diploma or equivalent is required.
- Must be able to understand and follow verbal and written instructions.
- Must be mechanically inclined and have the ability to troubleshoot.
- Have a working knowledge of welding, electrical, hydraulic, and control technology.
- Familiar with safe equipment practices.
- Experience reading technical diagrams, blueprints and manuals.
